Annual Report of the

Town of Sanbornton

New Hampshire

For the year Ending December, 31, 1979

DEDICATION

In sincere appreciation for his many contributions to the Town, the Sanbornton Annual Report for 1979 is hereby dedicated to:

FRED L. HOOPER

Arriving with his family at the age of seventeen, Fred Hooper became a resident of Sanbornton in October, 1916. Already skilled in the complex art of handling a six horse team, Fred was soon pressed into service with the road crew continuing, as he says, "off and on" for the next forty-five years. A well recognized authority on the peculiar behavior of forest fires, Fred served the town and state as Forest Fire Warden for twenty-three years. Always interested in the operations of the General Court, Fred has frequently served as an expert consultant to Legislative Committees on forest and game laws. As a citizen he answered the call of the Superior Court to Jury Duty, serving with distinction. Concerned with town affairs, Fred is well known for his stimulating and thoughtful contributions to the discussions and debates at Town Meetings. His perfect attendance record has only been broken once when, in March of 1977, his wife Ida passed away.

Known to his friends and neighbors as "The Mayor of Hooperville," and to CB operators by his "handle" as "The Potato Man," Fred is a walking, talking historian of the region over which he presides. Often consulted as to the location of this or that abandoned farm and roadway, "he knows the bounds" and the formerly traveled ways as does no one else. Always one who enjoyed hunting and fishing the forests and streams of Sanbornton, Fred still enjoys an occasional ice fishing trip at the age of eighty-one. The town has, indeed, been fortunate to have Fred Hooper as its citizen, and wishes him well as we look forward to many more years of his "advice and consent" on all important town matters.

TOWN WARRANT 1980

The State of New Hampshire

The polls will be open from 10:00 A. M. until 6:00 P. M.

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To choose all necessary district officers for the Winnisquam Regional School District.

3. To vote on the following proposition as requested by the State of New Hampshire:

Are you in favor of allowing the Town Clerk to accept change of party applications and then submit them to the Supervisors of the Checklist?

4. To vote on the following proposed amendments to the Zoning Ordinances:

AMENDMENT NO. 1. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town Zoning Ordinances as follows? To define conversions to condominiums or other cooperative forms of ownership as subdivisions and require compliance with the Sanbornton Subdivision Regulations.

AMENDMENT NO. 2. Are you in favor of the adoption of Amendment #2 as proposed by petition of the voters for this town? To permit conversion of single family dwellings to two family dwellings in any district by special exception upon application to the Zoning Board of Adjustment. The Planning Board disapproves of the amendment.

AMENDMENT NO. 3. Are you in favor of adoption of Amendment #3 as proposed by petition of the voters of this town? To rezone a portion of the present General Residence District to Agricultural; the portion is as follows: Bounded on

the east, by Interstate 93, the south, by the Sanbornton/Tilton town line, the west, by the Sanbornton/Franklin town line and on the north, by Threshing Mill Brook, and a line 1,000 feet south of Route 127. The Planning Board approves of the amendment.

AMENDMENT NO. 4. Are you in favor of adoption of Amendment #4 as proposed by petition of the voters of this town to eliminate the Historic Preservation District? The Planning Board disapproves of the amendment.

* * * * *

You are hereby notified to meet at the Town Hall in said Sanbornton on Wednesday, the twelfth day of March next at seven-thirty in the evening, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and to appropriate the same, and to see what action the Town will take on the Budget of \$455,143.65 as recommended by the Budget Committee.

2. To see if the Town will vote to authorize the Selectmen to hire such sums of money as may be necessary to defray Town charges in anticipation of taxes; to administer or dispose of any real estate, at public auction, acquired through Tax Collector's deeds; and to apply for and accept grants and funds which may be available to the Town from other governmental agencies.

3. To see if the Town will vote to raise and appropriate the sum of \$5,124.29 for the Winnepesaukee River Basin (Sewer) Program; \$4,284.60 which are for the reimbursement of capital costs of construction assessed at five percent of the total Town's proportionate share of said costs but presently not including interest payments, and \$839.69 of which are for the reimbursement of administrative costs for the ensuing year. (Submitted without the recommendation of the Budget Committee; Recommended by the Board of Selectmen.)

4. To see if the Town will vote to designate Osgood Road, in its entirety, as a Scenic Road under the provisions of N. H. RSA 253:17 and 253:18. (By Petition)

5. To see if the Town will vote to designate Plummer Road from its junction with Hermit Woods Road to the Meredith town

line on said Plummer Road, as a Scenic Road as provided for in N. H. RSA 253:17 and 253:18. (By Petition)

6. To see if the Town will vote to pass an ordinance to prohibit the use of any chemical pesticides including defoliants, desiccants, plant regulators and any other herbicides within the town by any person other than the fee owner of the land on which the said chemicals are used, or with the express written consent of said fee owner. The Town shall enforce this ordinance through criminal, civil or equitable process by the Selectmen. The criminal penalty for a violation of this ordinance will be the maximum permitted by law. (By Petition)

7. To see if the Town will vote to authorize the Moderator to appoint a committee to inventory the Town roads. (By Petition)

8. To see if the Town will vote to discontinue the Old Tilton Bridge Road from Morrison Road to Interstate Highway 93. (By Request)

9. To see if the Town will vote to raise and appropriate the sum of \$105,623.00 for the maintenance of highways and bridges, this sum to include \$16,599.57 of State Highway Subsidy Funds.

10. To see if the Town will vote to appropriate the sum of \$13,884.93 in Additional Highway Subsidy Funds in accordance with RSA 241:15 for Class IV and V Roads, and reappropriate the sum of \$456.78 in Additional Highway Subsidy Funds remaining from 1979 for use in 1980.

11. To see if the Town will vote to raise and appropriate the sum of \$1,429.42 for Town Road Aid, the State's share will be \$9,529.47.

12. To see if the Town will vote to raise and appropriate the sum of \$33,226.00 for the purchase of a Highway Department Dump Truck; and to accept the sum of \$8,000.00 as a trade-in allowance on the old truck, leaving a balance of \$25,226.00.

13. To see if the Town will vote to raise and appropriate the sum of \$800.00 for the purchase of a two-way radio for the use of the Highway Department.

14. To see if the Town will vote to raise and appropriate the sum of \$42,927.20 for the Police Department.

15. To see if the Town will vote to raise and appropriate the sum of \$9,827.00 and make the same available to the Library Trustees, \$1,000.00 of which is to be used to establish a Capital Reserve Fund for the future reconstruction of the Tower of the Academy/Library Building.

16. To see if the Town will vote to raise and appropriate the sum of \$5,900.00 for the Winnisquam Fire Department.

17. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Capital Reserve Fund previously established for the purchase of a Fire Truck for the Winnisquam Fire Department. (Article 18, 1978)

18. To see if the Town will vote to raise and appropriate the sum of \$9,600.00 for the Sanbornton Fire Department.

19. To see if the Town will vote to raise and appropriate the sum of \$60,000.00 for the purchase of a new Fire Truck for the Sanbornton Fire Department. This sum to be financed by the issuance of a ten year mortgage bond or promissory note.

20. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the funds already appropriated for a State Aid for Reconstruction (SAR) Project to improve the intersection at the junctions of Bay Road and Lower Bay Road, and Upper Bay Road and Hunkins Pond Road, which funds will be matched by the State's SAR Funds for a total of \$45,000.00. (See Articles 33 in 1978 and 31 in 1979)

21. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Town Building Improvement Fund established by previous vote of the Town. (See Article 35, 1978 and Article 24 below)

22. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be added to the Highway, Fire and Sanitation Heavy Equipment Fund established by previous vote of the Town. (See Article 34, 1978 and Article 24, below.)

23. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund for the purpose of defraying the costs of a complete revaluation of the Town; and to authorize the Selectmen to engage the Appraisal Division of the Department of Revenue Administration, or a

qualified private appraiser, to conduct that revaluation commencing in 1981 or thereafter. (See Article 24, below.)

24. To see if the Town will vote to appropriate and authorize the withdrawal from Revenue Sharing Funds, established under the provisions of the State and Local Assistance Act of 1972, a total of \$25,000.00 to be allocated as follows:

Town Building Improvement Fund ..	\$ 5,000.00 (Article 21)
Heavy Equipment Fund	10,000.00 (Article 22)
Town Revaluation Fund	10,000.00 (Article 23)
<hr/>	
TOTAL	\$25,000.00

25. To see if the Town will vote to authorize the Selectmen to apply to the N. H. Municipal Association Workmen's Compensation Insurance Plan for placement of the Town Workmen's Compensation Insurance Policy covering Town Employees.

26. To see if the Town will vote to raise and appropriate the sum of \$4,499.11 for regional social services as follows: Belknap-Merrimack County Community Action Program, \$356.11; Lakes Region Family Service, \$300.00; Lakes Region Community Health Agency, Inc., \$3,843.00.

27. To see if the Town will vote to appropriate the sum of \$1,200.00 for the use of the Sanbornton Town Historic District Commission, \$200.00 for its regular duties, the remaining \$1,000.00 for conducting workshops, research and professional consultation for the purpose of developing guidelines for the future administration of the District; \$500.00 of which sum is to be raised by the Town, and \$500.00 in matching funds by a grant from the State Historic Preservation Office.

28. To see if the Town will vote to raise and appropriate the sum of \$4,883.22 for the Youth Assistance Program, this appropriation to be contingent upon the continued participation in, and support of, that program by the Towns of Tilton and Northfield.

29. To see if the Town will vote to release the sum of \$5,000.00 from the Town Building Improvement Fund for the purpose of conducting feasibility and engineering studies of the capabilities of expansion of either or both the Town Hall and Central Fire Station to supply fairly long range space needs,

with particular attention to architectural barriers, drainage, parking, and sewage facilities; and to charge the Building Study Committee, established by previous vote of the Town, to report the results of these studies, together with cost estimates, to the Selectmen in timely fashion so that construction can begin as soon as possible.

30. To see if the Town will vote to adjourn this meeting to the call of the Moderator for the purpose of placing before the Town the results of the feasibility and engineering studies as may be reported by the Building Study Committee to the Selectmen; and to see what action the Town may take on the recommendations of the Selectmen as to construction plans and financing of construction at that time.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and eighty.

Ralph W. Sleeper

TOTAL REVENUES & CREDITS	\$194,571.22	\$222,133.78	\$294,170.00	\$294,170.00

In compliance with official guidelines, the Budget Committee has included in this budget the following recommended expenditures from Federal Revenue Sharing Funds including accrued interest therefrom.

Heavy Equipment Capital Reserve Fund	\$10,000.00
Revaluation Capital Reserve Fund	10,000.00
Building Improvement Capital Reserve Fund	5,000.00
TOTAL	\$25,000.00

SELECTMEN'S REPORT 1980

It was with sincere regret that the resignation of Selectman Barbara Prokosch was accepted in December. After serving as Selectman for one full term and some nine months of a second term in office, Selectman Prokosch's knowledge of the many details of the office were unmatched, and her careful and considerate management of the office was invaluable to the board. The town stands in considerable debt to Barbara for her unstinting service over the years, and wishes her well in the exciting venture on which she has so recently embarked. Her presence on the board will be greatly missed.

The board was indeed fortunate in the willingness of Richard E. Howe to accept the interim appointment to the board made necessary by Selectman Prokosch's resignation. Selectman Howe's background in business administration has already proven a valuable addition to the Board's work in this important area of responsibility.

Among the many improvements made to the town buildings during the year, the following are perhaps worth mentioning. The tower of the Town Hall was completely gone over for structural soundness and all defective members replaced. The tower of the Academy building was painted and temporary repairs made. It is estimated that the Academy Tower will need to be completely reconstructed within ten years owing to serious weaknesses in several of its main structural members. A blanket of insulation was added completely covering the ceiling of the Central Fire Station, and the Town Office and Fire Department meeting room were insulated and provided with storm windows and doors.

Town Road aid funds for 1978 and 1979 were expended on the continuation of improvements to Hunkins Pond Road. Although funds are not sufficient for the relocation of Hunkins Pond Road so as to avoid passing through the barnyard of the Swain Farm, the Board of Selectmen resolved to implement that relocation as soon as the necessary funds are available. The engineering design of the existing improvement was based on the eventual relocation plan. Tower Hill Road was paved and the ditches oiled from Hunkins Pond Road to the cemetery, which should prove to deter the silting of the drainage channel behind the Sanbornton Central School. It is anticipated that the School District project of drainage improvement to the school athletic grounds will be completed in the coming year.

Improvement of Lower Bay Road between Collieson Road

and Dr. True Road is planned for this coming year provided that the necessary releases can be obtained from the abutters. If these releases cannot be obtained it is anticipated that TRA funds will be allocated to the continuation of the improvement of Hunkins Pond Road between the Goss farm and the town garage.

The Board of Selectmen wish to call to the attention of the town the continued slippage in the property tax equalization ratio, which has been set for the coming tax year at 31% of market value. Review of the property sales figures compared with assessed valuations show a very disproportionate increase in the inequities that are inevitable in any such system of property taxation as is mandated under State Law. Although it can be argued that a town-wide revaluation can correct these inequities only temporarily the current disproportion is such that the board is unanimous in urging that such revaluation be authorized.

The Selectmen were pleased that the State Board of Water Resources was willing to comply with the Town's request that the annual draw-down of Plummer Pond and Hermit Lake be discontinued. Residents of that area have been able to enjoy the full benefits of their proximity to these bodies of water on a year-round basis for the first time in many years.

The Board has been notified by the Sanbornton Historic District Commission that the Town has been awarded two matching grants for the improvement of the Commission's administration of the district and for the implementation of an historical architectural analysis of the Academy and Town Hall buildings. These studies will be a valuable addition to the feasibility studies planned as the initial steps in the much needed expansion of space. The Commission has also informed the Selectmen of the completion of the application for registry of the District on the National Register of Historic Places. Acceptance of this application by the National Trust for Historic Preservation will entitle the town to receive matching funds for any reconstruction or rehabilitation work undertaken at the Academy and Town Hall. The Selectmen wish to express the appreciation of the Board for the effort which has gone into these grant applications and the preparation of the very extensive research materials required for the National Trust application.

SELECTMEN'S REPORT

Summary, Inventory of Valuation

	(1978)	(1979)
Buildings	8,431,309.00	8,727,719.00
Land	4,472,769.00	4,458,009.00
Electric & Gas	322,233.00	327,333.00
Mobile Homes (50)	178,225.00	178,939.00
Boats (47)	39,175.00	
Exemptions for Elderly and Blind	113,250.00	101,968.00
Net Valuation on which Tax Rate was Com- puted	13,529,361.00	13,955,582.00
Tax Rate per \$100.00....	(5.27)	(5.51)
War Service Exemp- tions (143)	8,450.00	8,700.00
Current Land Use (Before) (11 parcels)	99,720.00	98,220.00
Current Land Use (After)	51,620.00	50,120.00
Inventory of Taxable Prop. (Mailed)	1,429	1,154

TO: Property Owners and Residents of the Town of Sanbornton

FROM: Board of Selectmen—Ralph Sleeper, Wayne Smart, Richard E. Howe

PLEASE TAKE NOTICE OF THESE IMPORTANT ITEMS

1. Your Inventory of Taxable Property Must be filed by April 15, with a penalty for late filing. Note especially Item #4.
2. Please give your bank your Sanbornton residential address, as well as your mailing address. The town receives Bank Taxes from the State only on accounts listed in the name of Sanbornton residents. Why let other towns get these funds?
3. Please ask the Town Clerk for Privilege Stickers which will be free of charge to all Residents or Landowners of the Town of Sanbornton. The Town Clerk will need your plate number.
4. You should register all dogs with the Town Clerk by May 1. When registering you dogs you should bring in the rabies tag papers.

5. When doing business at the Town Office it would be appreciated if you would pay by check. Separate checks should be written when doing business with either Town Clerk or Tax Collector.

6. Selectmen meet every Monday night at 7:30 except for Holidays. Town Office open for business—Tuesday through Friday from 8:00 to 3:00. First and third Fridays from 7:00 P. M. to 8:00 P. M.

7. Those persons qualifying for Veteran's Exemptions, Elderly Exemptions, or Current Use Evaluation must apply to the Selectmen before April 15.

8. Appeals from Tax Assessments must be made within four months of the receipt of the tax bill.

9. Limited scholarship funds are available on application to the Selectmen. Application forms are available from school principals and at the Town Office, and must be filed with the Selectmen by May 1.

TOWN WARRANT—1979

The State of New Hampshire

The Polls will be open from 10:00 A. M. until 6:00 P. M.

To the Inhabitants of the Town of Sanbornton in County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the thirteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To choose all necessary district officers for the Winnisquam Regional School District.

3. To vote on the following proposition submitted by petition in accordance with statutory authority (RSA 39:2-): To change the date of Town Meetings, other than the part of the Meeting at which Town Officers are chosen for the year ensuing, to the Wednesday in March immediately following that part, at 7:30 of the clock in the evening, and to take effect beginning in March 1980. YES.

4. To vote on the following proposed amendments to the Zoning Ordinances as recommended by the Planning Board:

AMENDMENT NO. 1. To change the definition of Flood Plain to include all land designated as Flood Hazard Areas within the 100 year Flood Boundary as shown on survey map provided by the Department of Housing and Urban Development. (Adopting this amendment will continue to make flood damage insurance available to flood plain residents). YES.

AMENDMENT NO. 2. To rezone all land within 500 feet of U. S. Route 3 from the Agricultural District to the Commercial District. By Petition. YES.

* * * * *

You are hereby notified to meet at the Town Hall in Sanbornton on Saturday, the seventeenth day of March next at nine of the clock in the morning, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and to appropriate the same, and to see what action the Town will take on the Budget of \$338,014.34 as recommended by the Budget Committee. Accepted with correction and Amendment as follows: Correction—change \$338,014.34 to \$346,872.86. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and to appropriate the same, and to reappropriate the proceeds from the collection by the town on a property lien for previous welfare expenditures in the amount of \$2,500.00, now held as a “Capital Reserve Fund”, to be held for the benefit of the needy poor, as recommended by the town’s auditor. Also to change the total appropriation from \$346,872.86 to \$351,757.46 to include Winnepesaukee River Basin—Article #33.

2. To see if the Town will vote to authorize the Selectmen to hire such sums of money as may be necessary to defray Town charges in anticipation of taxes; to administer or dispose of any real estate, at public auction, acquired through Tax Collector’s deeds; and to apply for and accept grants and funds which may be available to the Town from other governmental agencies. YES.

3. To see if the Town will vote to exclude from its Social Security plan the services performed by election officials or election workers for each calendar year in which the remuneration paid for such services is less than \$100.00. YES.

4. To see if the Town will vote to elect the members of the Planning Board, pursuant to RSA 36:4, II-b, instead of having the members appointed. (By Petition) NO.

5. To see whether the Town will vote to keep E, F and G of Section V of the Town of Sanbornton Land Subdivision Control Regulations by which the Town takes five percent or more of the total area of land when ten or more acres are involved, and also takes rights of way to reach the property. (By Petition. Section V, Items E, F and G refer to “Reserved Land: Semi-Private Ownership,” i.e. “Areas set aside for parks and playgrounds to be dedicated or to be reserved for the common use of all property owners by covenant in the deed . . .” Such land remains on the tax rolls as a portion of the land owned by purchaser of the subdivision lot, and easements are provided for satisfactory access by the common owners and for the protection of watercourses. Title to such land is not taken by the Town.) NO.

6. To see if the Town will vote to designate Tower Hill Road from Hunkins Pond Road to Rufus Colby Road as a Scenic Road under the provisions of RSA 17 & 18 for the purpose of protecting and enhancing the scenic beauty of Sanbornton. (By Petition) YES.

7. To see if the Town will vote to approve the changes in Town Street Lighting as recommended by the Town's Highway Safety Committee. YES.

8. To see if the Town will authorize the Tax Collector to submit Property Tax bills semi-annually. NO.

9. To see what action the Town will take on the following resolution: Be it resolved by the Town of Sanbornton that the New Hampshire Housing Commission be and is authorized to operate in the Town of Sanbornton, in the State of New Hampshire, that said New Hampshire Housing Commission is authorized to sponsor a program of rental assistance for elderly and /or low income persons under Section 8 of the U. S. Housing Act of 1937 as amended, for the following accommodations: existing standard housing, five (5) dwelling units. YES.

10. To see if the Town will vote to indemnify and save harmless its employees and any member or officer of its governing board, administrative staff or agencies including but not limited to Selectmen, Zoning Board of Adjustment, Planning Board, Historic District Commission, Conservation Commission from personal financial loss of any claim, demand, suit or judgment by reason of a civil rights violation, negligence, accidental injury or damage while the individual is acting in the scope of his employment or office, and to authorize purchase of a general liability insurance policy for said coverage per RSA 31:105, 106, 107. YES.

11. To see if the Town will vote to raise and appropriate the sum of \$40,291.20 for the Sanbornton Police Department, this sum to include a grant of \$2,415.60 from Federal and State funds. YES.

12. To see if the Town will vote to raise and appropriate the sum of \$8,393.00 for the Sanbornton Fire Department. YES.

13. To see if the Town will vote to raise and appropriate the sum of \$3,900.00 for the Winnisquam Fire Department. YES.

14. To see if the Town will vote to raise and appropriate the sum of \$3,849.37 for regional social services as follows: \$300.00 for Lakes Region Family Service; \$326.87 for Belknap-Merrimack County Community Action Program; and \$3,222.50 for the Lakes Region Community Health Agency, Inc. YES.

15. To see if the Town will vote to raise and appropriate the sum of \$4,704.40 for the Youth Assistance Program, which sum shall be cancelled if either or both towns participating in the program fail to appropriate their share. YES.

16. To see if the Town will vote to raise and appropriate the sum of \$98,713.00 for maintenance of highways and bridges, this sum to include \$16,727.01 of State Highway Subsidy funds. YES.

17. To see if the Town will vote to raise and appropriate the sum of \$2,837.54 maintenance allotment for Class V highways (Duncan Fund). YES.

18. To see if the Town will vote to raise and appropriate the sum of \$1,456.28 for Town Road Aid (TRA); the State's share will be \$9,708.56. YES.

19. To see if the Town will vote to raise and appropriate the sum of \$10,845.07 in Additional Highway Subsidy Funds in accordance with the provisions of RSA 241:15 for Class IV and V Roads. YES.

20. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the purchase of a new plow and for major repairs to a Highway Department dump truck. YES.

21. To see if the Town will vote to raise and appropriate the sum of \$6,200.00 for the purchase of a new sander for the Highway Department. YES.

22. To see if the Town will vote to raise and appropriate the sum of \$5,677.00 and make the same available to the Library Trustees. YES.

23. To see if the Town will vote to reappropriate the sum of \$2,500.00, which sum was raised and appropriated by vote of the Town in 1978 for the purchase of heating equipment for the Library (Art. 32, 1978), and add that amount to the Town Building Improvement Fund. YES.

24. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972 for use as set-offs against Budget Appropriations for the following specific purposes and in the amounts indicated herewith or take any other action thereon:

Appropriation	Amount
Heavy Equipment Capital Reserve Fund	\$10,000.00
Police Cruiser	5,700.00
Tower Hill Road Improvement	3,300.00
Highway Department Radios	2,500.00
Storm Emergency Fund	3,500.00
	<hr/>
TOTAL	\$25,000.00
	YES.

25. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be added to the Heavy Equipment Fund established by previous vote of the Town. (See Article 24) YES.

26. To see if the Town will vote to raise and appropriate the sum of \$5,700.00 for the purchase of a Police Department Cruiser, replacing the existing cruiser. (See Article 24) YES.

27. To see if the Town will vote to raise and appropriate the sum of \$3,300.00 for improvements to Tower Hill Road. (See Article 24) YES.

28. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purchase of two-way radio equipment for Highway Department vehicles. (See Article 24) YES.

29. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for the Storm Emergency Fund, the purpose of which is to help defray the extraordinary cost of snow removal following the severe storm of January 24,25, 1979. (See Article 24) YES.

30. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Capital Reserve Fund established for the purpose of purchasing a truck for the Winisquam Fire Department by vote of the Town in 1978. (Article 18, 1978). YES.

31. To see if the Town will vote to raise and appropriate the

sum of \$5,000.00 for a State Aid for Reconstruction (SAR) project to improve the intersections at the junctions of Bay Road with Lower Bay Road, and Upper Bay Road with Hunckins Pond Road, this sum to be added to the sum appropriated by vote of the Town in 1978, and which will be matched by State Funds for a total of \$30,000.00. (Article 33, 1978) YES.

32. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be applied to the acquisition of a rescue vehicle and related equipment by the Winnisquam Fire Department Inc., and to be maintained and used under the direction, control and total responsibility of said Department. The Town is to retain title to its percentage of the total investment. In no event will the Town participate in a dollar amount in excess of the lower dollar participation of either Belmont or Tilton. The pertinent terms of this article must be agreed to in writing by the Winnisquam Fire Department Inc. before money is conveyed. (Submitted without recommendation of Budget Committee) YES.

33. To see if the Town will vote to raise and appropriate the sum of \$4,884.60 for the Winnepesaukee River Basin (Sewer) Program; \$4,284.60 of which are for the reimbursement of capital costs of construction assessed at five percent of the total Town's proportionate share of said costs computed on an annual basis for twenty years but presently not including interest payments, and \$600.00 of which are for the reimbursement of administrative costs for the ensuing year. (Submitted without recommendation of the Budget Committee) YES.

34. To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration, or a qualified private appraiser conduct a complete revaluation of the Town starting in 1981 or thereafter and to establish a capital reserve fund for the purpose of conducting such revaluation. NO.

35. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in the Capital Reserve Fund for the revaluation of the Town. (Submitted without recommendation of the Budget Committee) NO.

36. To see if the Town will vote to raise and appropriate the sum of \$1,138.00 for a radio to be installed in the new cruiser, \$853.50 to come from LEAA and GCCD Grants, \$284.50 to be

raised by taxes. If the grant is not available, the old radio will be transferred to the new cruiser. (Not included in the budget but supported by the Budget Committee) YES.

37. To see if the Town will authorize the Selectmen to appoint a committee to work, with the advice of the New Hampshire Historical Society, toward preserving town records. (By Petition) YES.

38. To see if the Town will vote to authorize the Selectmen to enter into negotiations for the purchase of a parcel of land owned by Mrs. James Elwell, located between N. H. Route 127 (New Hampton Road) and Salmon Brook, approximately two (2) acres in size, presently condemned as unsuitable for building or other occupancy due to its location in the floodway of Salmon Brook; and to authorize the Selectmen to seek matching funds for this purpose from State and Federal sources, and to accept such other private funds as may be made available in order to secure such matching funds; it being expressly understood that no authorization is given hereby for the appropriation or expenditure of Town funds, and that final purchase shall be submitted for approval by vote of the Town at a subsequent Town Meeting. (By Request) NO.

39. To see if the Town will authorize the transfer of the old Police Cruiser to the Selectmen, said vehicle to be used as a Town Standby Emergency Vehicle, and to appropriate the sum of \$600.00 for basic maintenance to be added to the Selectmen's appropriation. (Not included in the budget but supported by the Budget Committee). Accepted as amended: A log will be kept and each user will reimburse the Selectmen's budget.

40. To transact such other business that may legally come before this meeting.

Given under our hands and seal, this twenty-sixth day of February, in the year of our Lord nineteen hundred and seventy-nine.

July 13, 1979

The Board of Selectmen
Town of Sanbornton
Sanbornton, New Hampshire

We have examined the financial statements of the Town of Sanbornton for the year ended December 31, 1978, and have issued our report thereon. As part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance concerning the safeguarding of assets against loss from unauthorized use or disposition and concerning the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgments by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented intentionally by management with respect either to the execution and recording

of transactions or with respect to the estimates and judgments required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our examination of the financial statements made in accordance with generally accepted auditing standards, including the study and evaluation of the Town's system of internal accounting control for the year ended December 31, 1978, that was made for the purposes set forth in the first paragraph of this report, would not necessarily disclose all weaknesses in the system because it was based on selective tests of accounting records and related data. Our study and evaluation disclosed no conditions that we believe to be material weaknesses for which corrective action by management may be practicable in the circumstances.

The following suggestions are made to improve the efficiency in operations of the accounting and financial functions:

Budgetary Procedures

Budgetary procedures should include the review of the proposed budget for clerical accuracy prior and subsequent to the annual Town meeting and prior to submission to the Department of Revenue Administration. All changes made to the budget by the Department of Revenue Administration, in establishing the Town's tax rate, should be reviewed and approved by the budget committee.

Bank Accounts

A separate checking account should be established for the Town's Tax Collector and all revenue received by the Tax Collector should be deposited intact in such account on a timely basis. The periodic settlements of collection with the Town Treasurer shall be made from checks drawn on this account.

General Fixed Assets

A periodic inventory of the Town's fixed assets should be performed to determine their existence and useful purpose. A plan should be formulated for the systematic disposition of fix-

ed assets no longer required for operating purposes.

Clerical Accuracy

An evaluation of internal accounting control is performed to establish a basis of reliance on financial presentations and to determine the nature, extent and timing of auditing procedures that are necessary for expressing an opinion on the financial statements. In auditing the financial records of the Tax Collector, it was apparent that very little reliance could be placed upon the financial presentations due to the lack of clerical accuracy. As a result, a large portion of our audit time was consumed in this area. Although there were improvements during 1978, greater care and clerical accuracy should be exercised in the recording of transactions and in the preparation of town report data.

POLICE DEPARTMENT

The year has brought about many changes in so far as the Department's ability to cope with the rise in major crimes. This increase was 23.5% over 1978. This required the department to spend longer hours on investigation of these crimes and reluctantly spend less time in patrolling and routine traffic enforcement. The department's capabilities were also drastically impaired by the disabling assaults on one of its patrolmen, which has caused the department to operate with a serious loss of manpower for more than 4 months. However, the remaining members have extended their work hours in an attempt to cover the time lost. We were also hampered, in the area of traffic enforcement, by loss of a borrowed radar unit. The unit has reached the age of antiquity and could no longer be certified for use.

Members of the Department are continuing to attend St. Anselm's College under LEEP Grants, to further their college education in the field of Criminal Justice. The department has entered into a joint program of Investigation of Fires with the Fire Department. We have been supported by the Fire Department with information and funding for Arson Investigation schooling. This joint effort should prove to be of significant benefit to the town in the area of fire losses.

We regret the resignation of our clerk, Betty Davis, who was with us for four years. We will miss the benefit of her contribution to this department. I wish to thank the citizens of our community for their support and the exceptional support we received in the area of law enforcement and from our neighboring community Police Departments, especially during the period when we were operating short handed.

Louis R. Nielsen
Chief of Police

Department Members:

Chief Louis R. Nielsen

Sr. Patrolman John J. Maurath

Patrolman Robert E. Welch Sr.

Clerk/Patrolman Elizabeth A. Davis (resigned)

Temp. Clerk Marjory Haselton

Clerk Beverly McKay

YOUTH ASSISTANCE PROGRAM

In March, 1979 the three towns of Tilton, Sanbornton and Northfield voted overwhelmingly in favor of continuation of the Youth Assistance Program. The program, initiated in July, 1975 with the assistance of a grant from the Governor's Commission on Crime and Delinquency, is a preventative, community-based organization developed to combat the high rate of juvenile crime in the tri-town area. In the past four and a half years, Y.A.P. has drastically reduced this high level by providing several services for the youth of our towns:

COURT DIVERSION: When a child has committed a crime, the arresting officer has two options:

1. Scold the child and release him to his parents, or
2. Take the child to court, where basically the judge's only alternatives are to scold the juvenile and place him on probation, or send him to the Youth Development Center in Manchester, usually after the child's third or fourth court appearance.

With the Y.A.P., the arresting officer and the court have a third choice. Should the juvenile admit guilt to the offense, he can be referred to court diversion. The Police Chief and the Y.A.P. director first discuss the case to determine its appropriateness for diversion based on the seriousness of the offense and the youth's previous involvement with the law. If a green light is given at this point, the Y.A.P. director then meets with the juvenile and his family, with his school teachers and principal, the arresting officer, and any other relevant person in his life. This is done to get the full picture of the juvenile's attitudes, problems, possible reasons for his deviant behavior and to achieve better insight as to what would be an effective consequence for his act. A full report is presented to the Juvenile Review Board (J.R.B.) with the youth and his parents present. (The J.R.B. is a trained volunteer committee of local citizens with various skills and professions who hear the case and assign the consequences.) These consequences provide:

1. Punishment—the youth must meet personally with the victim of his crime to apologize and to arrange restitution for the crime, usually in the form of work to repair the damage done, if possible.

2. Rehabilitation—the youth must report to the Y.A.P. director weekly for a mandatory period to discuss his progress at home, in school, and in the community. If the youth is a behavior problem in school, the J.R.B. will often ask for an im-

provement in effort, conduct and attitude, monitored by weekly reports from the school.

3. Deterrence—having the juvenile appear before the local citizens to admit guilt to his crime holds the youth accountable to the community for his acts, as well as to help him to realize that there are consequences for breaking the law.

If the juvenile does not comply with the consequences assigned by the J.R.B., he is petitioned to court for the original offense. Of a total of 67 cases which have gone before the J.R.B., only three juveniles have failed to fulfil court diversion expectations and had to be taken to court.

COUNSELING AND REFERRALS: Counseling and referral are services extended to all youth and their families of the three towns. In the past year, there were a total of 255 referrals made to Y.A.P., 102 of these coming from the parents, the schools, and the juveniles themselves. This is a healthy sign, as referrals which do not come from the police are not crime related, thus showing not only active use of Y.A.P. by the communities, but also a swing towards more preventative intervention.

Y.A.P. refers both juveniles and families to appropriate services throughout the Lakes Region, having made use of a total of 45 various agencies in the past year.

THE PEOPLE PROGRAM: The key word in describing Y.A.P. is prevention. Now that the program has effectively cut juvenile crime, a great deal of time and effort have gone into the development of a service to keep the crime rate down, and what better way than to offer our youth healthy spare time activities and positive adult supervision? PEOPLE currently has thirteen regular volunteers who work either on a one-to-one basis with a child, or who plan monthly group activities. In the past year, PEOPLE has instituted bi-weekly planning and organizational meetings, matched 5 new adults with kids, elected new Junior Officers, made a trip to Canobie Lake Park, held two orientation meetings for recruiting and training new adult volunteers, ran the annual Fish Pond booth at the tri-town 4th of July celebration in Northfield, had a Halloween party, went roller skating at Cotes Rink, and planned a Valentines Day dance as a fund raiser.

The PEOPLE Program has been modeled after similar projects throughout the state which have proven to be effective, preventative deterrents to delinquency.

Youth Assistance is a community based, community dependent program. All of our more than 40 volunteers and two staff

are active in the community, our three Police Departments and schools are supportive of Y.A.P. efforts, and you the townspeople decide each year whether to continue the program. Because youth Assistance has proven its worth, several local towns, including Meredith, Alton and Laconia, are using our program as a model to deal with their own sky rocketing juvenile problems. Youths Assistance has also been recognized by the G.C.C.D. as an authorized alternative to each town having its own juvenile officer, as mandated by New Hampshire State Law and we are recognized as certified diversion program by the court.

Much of this fine work was done through the efforts of former Director Jean Snyder and Assistant Directors, Mariann Clark and Ginna Steadfast. In September new Director Pat Clark came aboard, and soon afterwards the new Assistant, Carolyn Wagner joined the organization.

With your continued support, Youth Assistance is committed to providing a healthier and more enriched environment for the youth of our communities.

Carolyn Wagner
Y.A.P. Assistant

SANBORNTON PUBLIC LIBRARY

The library has inauguratd several new programs during the year. During the winter months part of the library is used for a drop-in center where residents may read newspapers, magazines or work on a puzzle and at the same time enjoy a cup of coffee, tea or hot chocolate and visit with their friends. For seven months of the year weekly films were offered to the children. The films were enjoyed by those who attended. Anyone interested in additional film programs please contact us at the library.

a bew furnace has been installed at the library. Because it is a smaller unit we have gained some much needed space as well as a more efficient heating system.

Due to the untimely death of one of our lifelong residents, Robert M. Wright III, money to purchase childrens books has been given in his memory. A major portion of the money has been used to establish a trust fund which will provide extra childrens books in years tocome.

Several open houses were held to show appreciation of local celebrities. Among them were: Sara Means, folksinger; Pat Mayo, cookbook author; and Doris Lane, library volunteer for eight summers.

Students from the Central School walk to the library weekly to borrow books. Adult usage of the library increases each year as the population of our town grows.

Townspeople have always been quick to come to our aid whenever the need has arisen, and wer are grateful for all their support. Because of this interest we are hoping to establish a Friends of the Library group.

REPORT OF THE SANBORNTON FIRE DEPARTMENT

This past year the Sanbornton Fire Department has strived to improve its service to the town by training and preplanning emergency procedures.

The number of emergency calls continue to increase. Of all the fire responses those related to chimneys and wood stoves were the most numerous. Many people have requested inspections of stove installations. The fire department is happy to perform this service.

Emergency medical calls are increasing in number. The Sanbornton Fire Department has no organized rescue squad but rescue squads from Tilton, Winnisquam and Franklin cover the town through Mutual Aid agreements. There is a need for comprehensive first aid training of our fire department personnel.

Training classes were provided for our fire fighters in pump operation, forest fire fighting, and use of self-contained breathing apparatus. Individuals participated in training at the Lakes Region Fire School and on other regional programs.

Besides the tremendous contribution that our volunteer firemen make in time and energy, the department is grateful for the support and cooperation we have received from the townspeople, the Highway and Police departments and the Ladies Auxillary.

SANBORNTON FIRE DEPARTMENT

Treasurer's Report

WINNISQUAM FIRE DEPARTMENT 1979

Total number of Emergency Calls—147

Type of Calls:

Medical Emergency and Rescue	69
Structure Fires	11
Mutual Aid and Station Cover	10
False Alarms and Negative	
Emergency Situations	5
Chimney and Woodstove Fires	15
Brush and Rubbish Fires	21
Muscellaneous Calls	16

Present Motor Equipment:

- 1 - 1968 International 750 gal. pump; 1,000 gal. tank
- 1 - 1952 GMC 500 gal. pump; 600 gal. tank
- 1 - 1958 Van type emergency truck

Continuous training is carried on to keep our volunteer members up to current fire-fighting and emergency standards, especially for our numerous new members who have joined the Department this year.

The Annual Carole Davis Memorial Christmas party was held for the local children in December. The usual beano and other fund raising activities were carried on, with most of the receipts going towards the new Emergency Rescue vehicle. We have finally realized our long time goal of a new Emergency Rescue truck for the Department. The expected delivery date is early spring due to the tremendous response of everyone concerned, from the Federal, County, and Local governments, to the local residents whom we serve. The Winnisquam Fire Department would like to take this opportunity to publicly thank everyone who has helped us to reach this goal, and to remind everyone that it is an on-going project which will need the continued support of all concerned. Our new vehicle will be fully equipped to handle any emergency or disaster situation, in the area which we cover.

The Department is also still working on the details necessary for a new Fire Truck to replace, as soon as possible, our outdated 1952 GMC.

In summary, enthusiastic volunteers, training and the upcoming additions of the new fire truck and rescue vehicle are enabling us to significantly upgrade fire-fighting and emergency coverage of the Winnisquam area.

Respectfully submitted
Roy S. Ruggles, Clerk
Winnisquam Fire Dept.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

1979 Forest Fire Statistics

SANBORNTON PLANNING BOARD**Annual Report for 1979**

During 1979 the Planning Board met 25 times, including the regular bi-monthly meetings and a series of additional meetings devoted to planning and resolution of litigation. In addition to its usual subdivision activities, the Board this year also has undertaken and completed a major review of the town Subdivision Regulations. Work has begun on an update of the town Master Plan through the establishment of a Sounding Board for the town. The Board has proposed and supported citizen initiated zoning amendments adopted by the voters in 1979 and others appearing on the 1980 ballot. It has also successfully negotiated an out of court settlement of litigation involving the Lakeview Heights subdivision.

As has been the case in previous years, subdivision related activity, including numerous preapplication meetings with potential developers, has dominated the Board's agenda. Fourteen subdivision approvals were granted. The Board also came to final agreement on the 33 lot Lakeview Heights subdivision begun in 1978, and completed Site Plan Review of the 60 time-sharing units at Steele Hill Development. Thus a total of 57 new lots has been made available for growth within the community within the past year.

Of major significance to the town has been the successful resolution of the litigation involving Lakeview Heights subdivision. As part of the settlement the subdivider has agreed to upgrade the Leavitt Road to town road standards and has further agreed to construct a firepond within the development. This firepond will service not only the subdivision but also the areas of Lower Bay Road and Leavitt Road. In lieu of the 5% set aside requirement, the developer proposed a greenbelt area surrounding the parcel for the recreational use of the residents of the subdivision.

Steele Hill Development Corporation has continued with its plans to construct additional time-sharing units. The Board held a series of hearings on Site Plan Review of the proposed project, with a total of 60 units having been approved and constructed to date. Further development activity by the Steele Hill Development Corporation will require new ZBA action as the original variance granted by the ZBA was for 60 units, all of which have now been constructed.

Planning related activities of the Board included a major review of the town's Subdivision Regulations necessitated by

Legislative action in 1979. As a result of new state laws, a revision of the subdivision procedure was undertaken by the Board. State law now requires that the abutter be notified (and present if he so desires) at all hearings by the Planning Board once an application for subdivision has been accepted by the Board. To comply with this change, the Board has done away with the requirement for a preliminary hearing and preliminary approval. Once a completed application has been accepted by the Board, the Board must schedule a public hearing on the application within 30 days. Abutters will be notified of this and any subsequent hearing on the matter held by the Board. If no revisions are required on the plan, the subdivision can be approved at this initial hearing. Should changes be necessary the usual second hearing is still available. The new procedure should lead to a more rapid processing of subdivision applications. As has been the practice in the past, the Board is always available by appointment to meet with potential subdividers for preapplication discussions. Copies of the new subdivision regulations and the application form are available at the Town Clerk's office.

Building upon efforts begun in 1978 by conversations with the Lakes Region Planning Commission and by the appropriation of additional funds by the town meeting, the Board has initiated efforts to update the town's Master Plan. Again during 1979 the Board met with representatives of the LRPC concerning their assistance in updating the Master Plan. A major component of such a Plan is the Community Attitude Survey in which the feelings of the community are solicited. Samples of surveys and the various techniques used by other towns in the area have been provided by LRPC.

The Board also contacted the FORUM on New Hampshire's Future in Concord for their assistance in this updating project. An informational meeting was held in June with representatives of the FORUM discussing the role of a town Sounding Board as another vehicle for working on a Master Plan. Members of the various town boards and commissions were invited to attend this meeting. As a result of the positive response to this approach expressed by those present, the Planning Board established a Sounding Board with Pauli Novicki chairman, to assist the Board in the preparation of the Community Attitude Survey and revision of the Master Plan.

A public meeting of the Sounding Board was held in August to discuss the formation of a Sounding Board for the town and its goals and purposes. Public notices of the meeting date and newspaper articles were published outlining the goals of such a board. More than 40 citizens attended the meeting and have

agreed to serve on the Sounding Board. As a result of this and subsequent meetings, a complete Community Survey has been developed. With assistance from the Lakes Region Planning Commission, the survey is being readied for distribution to each resident in the town. A special effort is being made to reach summer residents in order that their interests will be recorded in the survey results. Members of the Sounding Board and other groups will assist in the distribution and collection of surveys throughout the town. All residents are urged to complete the survey in order that the results be truly representative of all in the community. According to LRPC, planners, the Community Attitude Survey is the first and most important step in developing a good Master Plan. It is the foundation upon which the whole plan is based. The survey lets the town's people express their feelings about what they want their community to be rather than letting a consulting firm come in and tell a town what it thinks it should be.

As a result of both Planning Board and citizen initiatives, changes have been proposed to amend the town Zoning Ordinance. In 1979 voters approved amendments to the ordinance dealing with the Flood Plain area and its delineation procedure, and a petition amendment to expand the commercial zone along U. S. Rte. 3 to extend the town boundary. Again this year voters will be asked to consider zoning changes proposed by both the Planning Board and Citizen petition. The Board seeks an amendment to the Zoning Ordinance which would add a new section governing condominium conversion. Petition amendments to the Zoning Ordinance provide for conversion of single family dwellings to multiple family dwellings upon approval by the Zoning Board of Adjustment, and a rezoning of a portion of the Chapel area from a General Residence district to an Agricultural district. Two public hearings were held on these proposed amendments in January and February.

As the Board looks ahead to 1980, its plans include continued work with the Sounding Board on the completion of the Community Attitude Survey, tabulation of its results and work on the Master Plan. The Board hopes to undertake a complete review of the Zoning Ordinance in an attempt to simplify and streamline the Ordinance. The Board will also engage in an initial study of alternative zoning practices such as cluster zoning. Work in these areas will follow upon consultation with the Lakes Region Planning Commission.

Meetings of the Board are held at 7:30 P. M. on the first and third Fridays of the month in the town offices. The public is always welcome to attend any meeting and is encouraged to

present their questions, opinions and concerns to the Board. The Board wishes to express its appreciation of those citizens who have taken the time to attend meetings during the past year.

BOARD OF ADJUSTMENT

The following chart summarizes the activities of the Zoning Board of Adjustment during 1979:

Appellant	Action Sought	Disposition
Thomas Kuhner	Special exception for home industry-silversmith shop	Granted
John Sheehan	Special exception to remove gravel	Granted
Dennis Livingston	Variance to allow mobile home	Granted
Dale & Nancy Fogarty	Variance from frontage requirement & to allow temporary mobile home	Granted

SANBORNTON HISTORIC DISTRICT COMMISSION

In 1979 the Commission received and approved 6 Building Permit Applications.

An application to the National Register of Historic Places, U. S. Department of Interior, has been completed. This application includes the entire Historic District of Sanbornton. (Zoning Ordinance Article VIII)

A booklet, including an inventory of each building in the District, is one file at the Sanbornton Library.

The Commission received approval for a grant in the amount of \$500.00 from the State Historic Preservation Office, to be matched by town funds. This money will be used to conduct research and professional consultation for the purpose of developing guide lines for the future administration of the District.

SANBORNTON HIGHWAY SAFETY COMMITTEE**William Powers, Chairman**

In the course of its duties, this committee has routinely dealt with an assortment of trivia which is matter-of-factly shrugged off by residents with seniority, but which our more recent residents should become aware of as part of the process of belonging. There are no Streets, Avenues or Boulevards in Sanbornton, only Roads and Drives. Sanbornton has no sidewalks and no address numbers. Some names, or variations of the same name, are shared by two or more thoroughfares. Some thoroughfares are known by two or more names. And there are too few street signs, the word street being used here in it's generic meaning. This is a good and bad situation for the U.P.S. route man. Good because it would take a major transgression on his part for the company to fire him. Bad because the company might pass him by for a promotion. Both for the same reason. Breaking in a new man in Sanbornton would be a nightmare.

Unfortunately, there is a serious aspect to this set of circumstances. Police, Fire and Health Care vehicles operated by out-of-towners have too often been delayed in responding to emergencies because of the difficulty of locating their destination. We are presently addressing this problem.

Other high priority subjects are a continuing effort aimed at passage of a meaningful bottle bill and support of measures aimed at stricter control of the transportation and disposal of hazardous materials.

At the request of the Selectmen, we cooperated with Road Agent Auger in researching and recommending a highway radio program. Radios are now in operation in two trucks, with the base station at Town Office. A third truck radio has been budgeted for 1980.

Our successful bicycle safety poster contest in the Sanbornton Central School has now become an annual event. Judges Priscilla Bodwell and Barbara Powers awarded a \$5.00 prize to an entrant from each of the five classrooms. McDonalds and Burger King, with Chief Nielsen as intermediary, awarded each participating student a goodie coupon.

The Chief reports a marked decrease in litter spills from dump bound vehicles.

Funds from 4 divisions of town government, Highway Safety, Police, Road Agent and Selectmen's office (total \$114.00) were pooled to buy a traffic counter. Traffic surveys have been

made at Bay, Upper Bay, Lower Bay, Hunkins Pond, Meetinghouse Hill, Calef Hill, March and Weeks Roads. These surveys have revealed many interesting patterns and will be valuable in making all sorts of decisions regarding traffic controls, signs, road repairs and the like.

This committee has continued an active role on the state level in opposing special overweight load limits for trucks. A special privilege truck bill was whisked through the legislature under questionable circumstances in the closing days of the 1978 session. An attempt was made to repeal that bill in 1979. With the aid of our Representatives Barbara Bowler and Ken Randall, the bill to repeal passed in the House. State Senator Ray Conley ignored our request for cooperation, and added his negative vote to the truck lobby's cabal thus insuring its defeat.

Fire Chief Powers, Chairman of the committee, has been known to speculate out loud if his titles are bestowed on him for his qualifications, or because he has a 286 telephone which means he can reach or be reached toll free from any part of the town. He need speculate no longer. at 10:01 A. M. Sept. 30, 50,000 telephone customers in 99 N. H. municipalities were freed from in-town toll charges. Now all 524, 286 and 934 telephone subscribers in Sanbornton can call each other toll free. Therefore it follows that Bill Powers continue to hold his titles for reasons of qualification only.

This change in telephone service was the result of a three year effort spearheaded by this committee. The undertaking was made possible only because of our loose interpretation of the charge which instituted and constituted this committee and which had not yet been recieved.

LAKES REGION PLANNING COMMISSION

Local Assistance - 1979: The following information and community assistance were provided to Sanbornton by the Planning Commission:

- Provided copies of model community attitude questionnaires to the Planning Board and Sounding Board.
- Typed information on revised subdivision application procedures and related amendments.
- Provided information on revised subdivision application procedures and related amendments.
- Reviewed and commented on proposed subdivision regulation amendments.
- Met with the Planning Board and Sounding Board Chairmen to discuss the process of updating the Sanbornton Master Plan.
- Provided model subsurface disposal ordinance to the Board of Selectmen.
- Compiled information on cabin colony condominium conversions for the Planning Board.
- Provided 200 copies of the Sanbornton Zoning Map.
- Provided the Board of Selectmen with information on the adoption of a noise control ordinance.
- Sent the Planning Board information and legal opinions relative to town acceptance of roads.
- Obtained a legal opinion for the Planning Board relative to the time schedule for review of subdivision applications.
- Provided the Planning Board with copies of all correspondence between the Planning Board and the LRPC for use in preparing for a court case.
